Responsible and sustainable bamboo business towards SDG of UN

about the founder

CanBoo is Founded by Mr Kamesh Salam

Founder and Executive Director, South Asia Bamboo Foundation, Former President, World Bamboo Organisation, and Founder World Bamboo Day.

Kamesh is a skilled Bamboo management Expert with more than 25 years experience in the bamboo sector, especially bamboo processing, skill development capacity building, planning machinery and development strategies expert with long experience at management level with the community in development work in the bamboo and rattan processing and manufacturing industries and communities. He has worked with UNDP, UNIDO, GIZ, ADB, PwC, India, Royal Govt. of Bhutan on various projects globally and National Bamboo Mission of India and state Governments of NE States in the country. Kamesh is also a skilled Project Manager with deep experience managing and implementing all projects. His interest is in capacity building, skills and community development of the communities.

“Bamboo is our flagship project”

Our vision is to turn poverty into prosperity by linking rural and tribal communities to new opportunities provided by global growth and contribute to SDGs of United Nations.
